A Message from the Director

Hello and welcome to *Fireflies*, the 2019-2020 season opening show at Main Street Players. I hope you enjoy this play. It's a lighthearted comedy on the surface, but it has a message that has touched me deeply.

It is a play chock full of metaphors. The most obvious is the firefly doing its glowing mating dance. And then, can dinosaurs in a museum be anything but a metaphor for being very old? But probably the most powerful metaphor is how some "people of a certain age" have become isolated and alone. Like Eleanor Bannister, we have lost too many people in our lives. Some have moved, and others have literally moved on. And to insulate ourselves, like Eleanor Banister, we've closed off from our community and from friends.

We become depressed. We shut people out. We build walls around ourselves, metaphorical and real. If you don't love, you can't be hurt by the loss, right? But hopefully, like Eleanor Banister, with the help of Able Brown, we learn to tear down those walls, remove the barriers, and open our hearts again.

I hope this play will make you laugh, touch you and inspire you like Able Brown and the fireflies. Perhaps you will shine some much needed light on the shadowed heart of an Eleanor Banister.

The Players

REECE BREEDLOVE II (Eugene Claymire) was in last year's production of *Hank Williams: Lost Highway* as Jimmy Burrhead. He began his stage experience with Studio 54 players at HCHS and continued acting at Columbus State University in numerous roles, including a stint in *The Princess and the Pea*. He has volunteered for Charity Theater with Crosswalk Ministries where he performed in *Cotton Patch Gospel* and *Godspell*. Reece was last seen on the stage with The Front Porch Players in *Monky Business*. "All that we

are, is the result of all that we have thought... currently I am a grilled cheese sandwich."

NORMA RICHARDSON (Eleanor Bannister) has been involved with theatre for most of her life and has appeared on a number of Atlanta stages among others. Onstage productions include: *The Lion in Winter*, *The Dixie Swim Club*, *Southern Comforts*, *Driving Miss Daisy*, *Love Letters*, *The Little Foxes*, *The Guys*, *Steel Magnolias*, *Grace & Glorie*, and *Same Time Next Year*. As a director her credits include: *Hank Williams: Lost Highway*, *The Dixie Swim Club*, *The Mystery of Irma Vep*, *Honky Tonk Highway*, *Nunset Boulevard*,

Inherit the Wind, *Titanic, the Musical*, *Tuesday's With Morrie*, *Every Christmas Story Ever Told (and Then Some!)*, *Mama Won't Fly*, and *Our Town*. Her career in television began with Turner Broadcasting/CNN. After leaving Turner, she was an Executive Vice President with Primerica and General Manager for their corporate television production department for over 20 years. She is a native of Griffin, Georgia and is the Founding Artistic Director of Main Street Players.

MARIAN SORENSEN (Grace Bodell) is delighted to be returning to the Main Street stage to play the sidekick of her good friend, Norma Richardson. Some of her favorite roles at MSP include Mrs. Dubose in *To Kill A Mockingbird*. Carrie Watts from *A Trip to Bountiful*, Ethel from *On Golden Pond*, and Nita Mooney in *Hallelujah Girls*. She spent many years in the Atlanta area and received her theatrical training at the Alliance Theatre School at the Woodruff Arts Center.

While there, she was contracted as a teacher in the acting program and became Assistant Director of the School. Marian has performed and/or directed on the main stage at The Alliance Theatre, the Studio Theatre, Theatrical Outfit, Open City Theatre and Theatre in the Square. She would like to thank BJ for this opportunity, her husband for taking care of all the animals during this time, and Karen and Joyce for their help.

ANDREW STEWART (Abel Brown) is becoming a regular here at MSP. Roles include, Hank Williams in *Hank Williams Lost Highway*, Patient 2 in *Holmes and Watson*, Geoffrey in *The Lion in Winter*, Actor #2 in *A Christmas Carol*, Darrell in *Honky Tonk Highway* and Melvin Wilder in *The Diviners*. He is a singer/songwriter/musician from the Griffin area with a passion for the performing arts. He fell in love with theater

at a young age, starring as the Baker in Griffin High School's production of *Into the Woods* in 2000. Since then, he has performed on multiple stages all over the state of Georgia, mostly behind a microphone while playing a guitar or a piano. Over the last several years, he has been heavily involved with the International Thespian Society at Lamar County High School. In 2017, he co-wrote and co-directed LCHS's One Act Competition play based on the works of Edgar Allan Poe. Andrew is so thankful for the opportunity and is looking forward to working with Main Street as often as possible in the future.

The Crew

NATE BARNES (Production Lighting) has been the Manager at the Griffin Spalding County School System's Auditorium for the past eight years. During this time, he has worked in both audio and lightening for various performances. Nate also volunteers on the audio and visual team at Oak Hill Baptist. He is currently a senior at the University of Georgia Griffin campus working on his BBA degree where he also serves as a University of Georgia Ambassador.

CURTIS BROWN (Costumes/Lighting Design) is a Main Street regular. He has worked with Main Street in some capacity almost every season since 2002. Last year he made his directorial debut with a very successful production of *Holmes and Watson* and appeared as Pap in *Hank Williams: Lost Highway*, John in *Lion in Winter*, and Actor #3 in *The Christmas Carol*. Other roles at MSP include Jane Twisden, Lord Edgar Hillcrest in *The Mystery of Irma Vep*, and Norman Bulansky in *The Boys Next Door*.

MARY GRESHAM (Stage Manager) jumped into theater in January 2018, working backstage on *The Mystery of Irma Vep*. She continued her backstage assistance during *Honky Tonk Highway*, *The Lion in Winter*, *Holmes and Watson* and *Hank Williams: Lost Highway*. When she's not behind the scenes, she's onstage as a party parent in the GBT production of *The Nutcracker*. We are glad to have her part of the MSP family!

BJ HUGHES (Director, Resident Designer) is enjoying his ninth season with Main Street Players. He is even more delighted to be celebrating his 50th anniversary in professional theatre during which he has worked as an actor, teacher, director and designer. During his career he has produced, directed and designed over 100 productions. Originally from New Jersey, he obtained a degree in theatre and he spent four years touring America

in classical repertory before settling in Atlanta where, for the next 30 years, he acted, taught and directed at the Alliance Theatre. He extends special thanks to Norma and Marian for inviting him to Griffin and providing a home with this creative theatre company.

KAREN STANFORD (Production Assistant) has proved to be a versatile asset both on and off the stage to MSP. She was last seen as Luella Bennett in *The Diviners*. Other productions at MSP include multiple roles in *War of the Worlds: The Panic Broadcast*, *Charlotte's Web* as the Goose and Mrs. Dunlap in *Inherit the Wind*. She was honored as Main Street's Volunteer of the Year for the 2015-2016 season as she logged in over 150 hours of her time with set construction. As a young lady, Karen was an avid

participant in her high school's Thespian Club as well as performing in *Swingin' High* and *Meet Me in St. Louis*. She would also like to give a special thanks to her two children for their love and support.

FRANK DANSBY (Master Carpenter) was Main Street's most valuable volunteer for the 2018-2019 season. He and his wife, Martha, are lifelong supporters of the arts and in particular theatre. Three years ago, Frank joined Resident Scenic Designer BJ Hughes backstage at Main Street Players and quickly became a tremendous asset to the production team. With his background as an airplane mechanic and his vast knowledge of DYI, he quickly picked

up on the construction techniques particular to theatre. Frank has worked on ten productions (close to 700 hours) for Main Street. With his construction and carpentry skills, he has allowed BJ to expand his vision of what the productions can look like, resulting in even more professional looking sets and scenery. Thank you, Frank, for being part of the Main Street family!
